	Workshop:				

TOTAL: _____

It is the expectation of the Episcopal Church in Minnesota that students in the School for Formation will participate fully in their own learning, including taking responsibility in the financial cost of their studies. However, we hope that the cost would not prevent anyone from pursuing formation for leadership. If extenuating circumstances exist that would preclude you from being able to participate even with the matching grant described above, please contact Missioner for Formation Susan Daughtry, susan.d@episcopalmn.org.
